

# ClearView™

Clear Water Made Simple

# Performance Balancers

## Total Alkalinity

### Features:

- Active ingredient - Sodium Hydrogen Carbonate
- Effectively raises total alkalinity

### Benefits:

- Prevents pH "bounce"
- Protects surfaces from staining or deterioration

Part #	Sold As
CVTA005	8 x 5 lb case
CVTA010	4 x 10 lb case
CVTA025	25 lb pail
CVTA050	50 lb pail

## Calcium Increaser

### Features:

- Active ingredient - Calcium Chloride
- Effectively raises hardness

### Benefits:

- Prevents corrosion on all metal parts
- Prevents etching
- Protects heater elements

Part #	Sold As
CVCC010	4 x 10 lb case
CVCC025	25 lb pail
CVCC045	45 lb pail

## Primo Powder Water Conditioner

### Features:

- Active ingredient - Isocyanuric Acid
- Fine mesh granular

### Benefits:

- Improves effectiveness of sanitizer
- Reduces amount of chlorine absorbed by the sun

Part #	Sold As
CAPP001	24 x 1 lb pouch
CVCA004	8 x 4 lb case
CVCA008	4 x 8 lb case
CVCA045	45 lb pail

## pH Up

### Features:

- Active ingredient - Sodium Carbonate
- Effectively raises pH

### Benefits:

- Improves effectiveness of sanitizer
- Prevents cloudy water
- Maintains swimmer comfort

Part #	Sold As
CVSA005	8 x 5 lb case
CVSA010	4 x 10 lb case
CVSA025	25 lb pail
CVSA050	50 lb pail

## pH Down

### Features:

- Active ingredient - Sodium Bisulfate
- Effectively lowers pH
- Lowers total alkalinity

### Benefits:

- Improves effectiveness of sanitizer
- Maintains swimmer comfort

Part #	Sold As
CVSB007	8 x 7 lb case
CVSB050	50 lb pail

# Effective Sanitizers

## Scent-Trific™ Tabs

Full Strength, Low Odor Chlorine Tabs

Features:

- 99% premium grade Trichlor
- World's first low odor chlorine in a floral fresh scent package
- Individually wrapped 8 oz. tab
- No gummy binders

Benefits:

- Reduced store odor
- No film or clogging of skimmers, chlorinators or filters
- Ensures safe, sanitary, sparkling water

**Only tabs with the Scent-Trific™ flower on them guarantee high quality, low odor chlorine.**

**Floral Fresh Scent**

(Tablet not to actual size.)

### Individually Labeled Wrapped Tabs

Child resistant wrapped tabs may be sold individually.

Part # CVTLCR080 Sold As: 80 Tabs in 40lb pail

### Individually Wrapped Tabs

Wrapped tabs may NOT be sold individually.

CVTLST005 - 8 x 5 lb case | CVTLST025 - 25 lb pail  
CVTLST010 - 4 x 10 lb case | CVTLST050 - 50 lb pail

## Jumbo Tabs 3"

Features:

- 99% Trichlor
- No gummy binders
- Jumbo tabs are unwrapped
- Hard-pressed 8 oz. tab

Benefits:

- No film or clogging of skimmers, chlorinators or filters
- Ensures safe, sanitary, sparkling water

### Unwrapped Tab

Part #	Sold As
CVTL005U	8 x 5 lb case
CVTL010U	4 x 10 lb case
CVTL025U	25 lb pail
CVTL050U	50 lb pail

## Tabits - 1" Tabs

Features:

- 99% Trichlor
- No gummy binders
- Hard-pressed, unwrapped 1/2 ounce tab

Benefits:

- No film or clogging of skimmers, chlorinators or filters
- Ensures safe, sanitary, sparkling water

Part #	Sold As
CVTS005	8 x 5 lb case
CVTS010	4 x 10 lb case
CVTS025	25 lb pail
CVTS050	50 lb pail

## Granular

Looking for Granular Dichlor? See Shimmer N' Shock on page 4.

## Bromo Tabs

Features:

- 96% Bromine
- Slow dissolving

Benefits:

- Reduced chlorine odor
- Ensures safe, sanitary, sparkling water

Part #	Sold As
CVBR004	8 x 4 lb case
CVBR025	25 lb pail
CVBR050	50 lb pail

# Powerful Specialties

## Super Crystal Clarifier

### Features:

- Proprietary Formula
- pH neutral formulation
- Non-staining, non-foaming
- Surrounds and coagulates microscopic particles making them easier to capture in the filter
- Not affected by shock treatments

### Benefits:

- Reduces operational costs
- Reduces algae occurrence
- Reinstates water clarity and sparkle

Part# Sold As  
CVLSCQT12 12 x 1 qt case

## PHOS-BOSS™

When you want phosphates out, turn to the Boss!

### Features:

- Professional strength
- Chelates and coagulates phosphates
- Works immediately with/without water circulation.
- Lowers phosphates to under 100 ppb
- 150% more effective than leading phosphate removers

### Benefits:

- Substantially lowers algae food source
- Improves sanitizer effectiveness
- Reduces need for shocks, algaecides and other measures

Part# Sold As  
CVLPB05G6 6 x 64oz/case

## Filter Aid

### Features:

- Professional strength
- Removes oil, scale & organic grime from sand, cartridge & D.E. filters
- Use as a backwash or a soak cleaner
- Compatible with ALL sanitizers

### Benefits:

- Prevents cloudy water
- Improves water quality
- Helps prevent recurring water problems

Part# Sold As  
CVLFAQT12 12 x 1 qt case

## Biozyme

### Features:

- Bio catalytic enzyme
- Professional strength
- Removes body oils, lotions and grease
- Removes pollen and other organic contaminants that clog filters and cause waterline stains

### Benefits:

- Easy to use
- Cleans pool water quickly and naturally

Part# Sold As  
CVLBZQT12 12 x 1 qt case

## Mineral Magnet

### Features:

- Professional strength
- Chelates and coagulates minerals
- Removes metals from pool water
- Removes stains from surfaces and equipment
- Lowers calcium hardness
- Prevents staining
- Removes scale

### Benefits:

- Promotes sparkling clear water
- Lowers maintenance costs

Part# Sold As  
CVLMMQT12 12 x 1 qt case

## Drop Out

### Features:

- Drops both live and dead suspended matter to bottom of the pool
- Lowers excessive total dissolved solids without effect on other balancers

### Benefits:

- Promotes sparkling clear water
- Lowers maintenance costs

Part# Sold As  
CVLDOQT12 12 x 1 qt case

## TVC

### Tile and Vinyl Cleaner

### Features:

- Non-abrasive
- Professional strength
- Removes scum and oils
- Removes scale
- Sprayer available

### Benefits:

- Easy to use, saves time
- Keeps pool looking clean, fresh, and beautiful

Part# Sold As  
CVLTVCQT12 12 x 1 qt case

## Chlorine Kick-Out

### Features:

- 100% Sodium Thiosulfate
- Will neutralize residual chlorine or bromine in water

### Benefits:

- Quickly and effectively reduces or eliminates excess amount of chlorine or bromine in pool or spa water

Part# Sold As  
CVKO002 12 x 2 lb case  
CVKO050 50 lb pail

# Activating Shocks

## Shimmer-N' Shock

- Features:
- 99% Sodium Dichlor
  - Convenient 1lb bags
  - No pre-dissolving
  - Totally soluble
  - No residue
  - Will not cause pH "bounce"
  - pH neutral & quick dissolving makes it the most universal chlorine product available

**Benefits:**

- Economical shock treatment
- Restores sparkle and clarity to dull water
- Perfect for vinyl-lined or above ground pools

Part #	Sold As
CVDB001	24 x 1lb. pouch/box
CVDB005	8 x 5 lb case
CVDB010	4 x 10 lb case

Part #	Sold As
CVDB025	25 lb pail
CVDB050	50 lb pail

## Chlor Free Shock & Swim 15

(Non-Chlorine Oxidizer)

- Features:
- 45% Potassium Monopersulfate
  - Removes chloramines
  - Safe with chlorine, bromine, copper/silver sanitizer systems
  - Will not raise chlorine to unsafe levels
  - Convenient 1lb bags

**Benefits:**

- Allows quick access to pool
- Promotes sanitizer effectiveness
- Restores sparkle and clarity to dull water
- Will not bleach or fade vinyl liners

Part #	Sold As
CVCF001	24 x 1lb. pouch/box
CVCF025	25 lb pail
CVCF050	50 lb pail

## Insta-Chlor

- Features:
- 68% Calcium Hypochlorite
  - Removes chloramines
  - Safe with chlorine, bromine, copper/silver sanitizer systems
  - Convenient 1lb bags

**Benefits**

- Economical shock treatment
- Quickly restores clarity to water
- Promotes sanitizer effectiveness
- Won't raise cyanuric acid levels

Part #	Sold As
CVIC001	24 x 1lb. pouch/box
CVIC006	8 x 6 lb. case
CVIC025	4 x 10 lb. case
CVIC055	55 lb. pail
CVIC100	100 lb. barrel

## Insta-Chlor Super 73

Part #	Sold As
ICS73001	24 x 1lb. pouch/box

**Features:**

- 73% Calcium Hypochlorite
- Removes chloramines
- Safe with chlorine, bromine, copper/silver sanitizer systems
- Convenient 1lb bags

**Benefits**

- Economical shock treatment
- Quickly restores clarity to water
- Promotes sanitizer effectiveness
- Won't raise cyanuric acid levels
- Higher ratio of chlorine to calcium

# Specialty Kits

## Winter Sleeper Pool Closer

Protect your pool and pool equipment for the long winters nap. Our Winter Sleeper Pool Closer includes an algaecidal clarifier, surface and equipment protector, and shock packs. Chlorine or chlorine-free formulas available.

**Chlorine Winter Sleeper Pool Closer**  
Up to 15,000 Gallons.....WS1500    Up to 35,000 Gallons.....WS3500

**Chlor-Free Winter Sleeper Pool Closer**  
Up to 15,000 Gallons..... WS1500CF    Up to 35,000 Gallons.....WS3500CF

## Spring Start-Up

The Spring Start-Up comes with a clarifier, powerful poly algaecide, equipment protector/stain remover, and shock packs.

**Chlorine Start-Up Kit**  
Up to 15,000 Gallons..... SS1500    Up to 35,000 Gallons.....SS3500

# Bio-Active™ cyanuric acid reducer

Bio-Active is a biological approach to safely and effectively reducing cyanuric acid levels in swimming pools. Using powerful catalysts, Bio-Active simply accelerates the natural pathways of degradation for cyanuric acid.

For Pools Up to 25,000 Gallons.....Part# CAD008Z  
For Pools Up to 50,000 Gallons.....Part# CAD016Z

## The All Natural & Ultra-Powerful Water Treatment Solution

*Non-Toxic, Organic  
And Totally  
Biodegradable!*

# Strong Algaecides

## Poly Power

Available in 30% & 60% Strengths

Features:

- Active over a wide range of pH
- Non-foaming
- Non-metallic
- Not affected by high chlorine residuals

Benefits:

- Treats hard to kill mustard, green, and black algae
- Increases efficiency of sanitizers
- Improves water quality
- Long lasting algaecide

	Part #	Sold As
Poly 30	CVLPP30QT12	12 x 1 qt case
Poly 60	CVLPPQT12	12 x 1 qt case
	CVLPP1G4	4x1 gal case

## Copper Strike

Features:

- Copper as elemental 7.41%
- Non-selective: kills yellow, green, and black algae
- Efficient - with long lasting residuals

Benefits:

- Best copper based algaecide; with the least risk of staining
- Increases efficiency of sanitizers
- Improves water quality

Part #	Sold As
CVLCSQT12	12 x 1 qt case

## Silver Strike

Features:

- Active ingredient: Colloidal Silver Complex
- Eliminate resilient black, mustard, and pink pigmented slime in pools
- Non-Foaming
- Works well with chlorine or bromine sanitized pools
- Assists in controlling bacteria

Benefits:

- Can be applied to any pool surface
- Can be effective for several weeks depending on pH balance
- Highly effective targeted algaecide

Part #	Sold As
CVLSSQT12	12x1qt case

## Algaecure

Features:

- 99% Trichlor
- Can be used as an effective super chlorinator
- Effective algaecide for black algae in white plaster pools.
- Ensures safe, sanitary, sparkling water

Part #	Sold As
CVTC002	12 x 2 lb case
CVTC005	8 x 5 lb case
CVTC010	4 x 10 lb case
CVTC025	25 lb pail
CVTC050	50 lb pail

## Yellow Aid

Features:

- 99% Sodium Bromide
- Fast treatment of yellow mustard algae
- Effective on any pool surface
- Formulated to be effective in various pH ranges
- Can be applied at any time, day or night

Benefits:

- Dissolves quickly
- Leaves no residue
- Non-staining
- Can be used without adjusting water chemistry
- No waiting to use the pool
- Can be used as a preventative against further algae spore reproduction

Part #	Sold As
CVSO002	12x2 lb case
CVSO025	25 lb pail

## Quat Power

Features:

- 49.8% Dimethyl Benzyl Ammonium Chloride
- Effective over a wide pH range
- Non-metallic

Benefits:

- Controls the growth of algae slime
- Improves water quality

Part #	Sold As
CVLQPQT12	12 x 1 qt case

## 90 Day Algae Treat

Features:

- Copper Triethanolamine complex 11.72% 3.5% elemental copper
- Long-lasting effectiveness in all pool types
- Controls algae growth up to three months.
- Can swim immediately after treatment

Benefits:

- Controls the growth of all types of algae
- Increases efficiency of sanitizers

Part #	Sold As
CVLATQT12	12 x 1 qt case

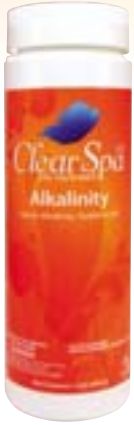

# ClearSpa<sup>104°</sup>

SPA SOLUTIONS

*Custom Chemical Products Formulated Specifically for Maintenance and Care of Spas & Hot Tubs to the Max Temp of 104°*

## Alkalinity

Raises total alkalinity level to prevent pH shifts which might cause equipment corrosion.  
Part # ..... Case Qty.  
CSTA002 ..... 12 x 2lb.

## Bromo Bright Tablets

Provides a source of active bromine ideal for continuous disinfecting of your spa. Tablets are designed to dissolve slowly in spa feeders.  
Part # ..... Case Qty.  
CSBR015 ..... 12 x 1.5lb.

## pH Plus

Gently raises pH levels, improving spa water comfort and the effectiveness of sanitizers.  
Part # ..... Case Qty.  
CSSA002 ..... 12 x 2lb.

## Bromo Boost

Quick dissolving, concentrated bromine booster. Acts to stabilize the sanitizer and oxidizer for clean and clear spa water. Effective over a wide range of pH and offers long lasting sanitation in warm water.  
Part # ..... Case Qty.  
CSSO002Z ..... 24 x 2oz.  
CSSO002 ..... 12 x 2lb.

## pH Minus

Lowers pH and total alkalinity levels, improving spa water comfort and the effectiveness of sanitizers.  
Part # ..... Case Qty.  
CSSB003 ..... 12 x 3lb.

## Chlorinating Granules

Chlorinating Granules is quick dissolving and has a neutral pH; ideal for disinfecting spa water.  
Part # ..... Case Qty.  
CSDD002 ..... 12 x 2lb.

## pH Hold

A special blend of balancer agents that will lock and maintain an ideal pH level for up to 3 months.  
Part # ..... Case Qty.  
CSLHQT12 ..... 12 x 1qt.

## Crystal Shock

A non-chlorine shock that keeps water crystal clear. Provides an oxygen boost for existing chlorine and removes organic materials that can build in spa water.  
Part # ..... Case Qty.  
CSPM002 ..... 12 x 2lb.

## Calcium

Effectively raises the calcium hardness level which helps prevent corrosion of equipment and etching of spa surfaces.  
Part # ..... Case Qty.  
CSCC002 ..... 12 x 2lb.

## Spa Seltzer

A quick dissolving seltzer tab containing mineral spring salts and bacteria fighting ingredients. Enhance your spa life with Japanese hot spa ingredients that give a soothing feel to your skin.  
Part # ..... Case Qty.  
CSSS002 ..... 12 x 2lb.

## Cartridge Cleaner

Restores cartridge filter elements to operate with optimal efficiency.

Part# ..... Case Qty.  
CSLCCPT12 ..... 12 x 1pt.

## Crystal Brite

Powerful formula that coagulates dirt and other particles which can then be removed by the filter. The result is bright, clean spa water.

Part# ..... Case Qty.  
CSLCBPT12..... 12 x 1pt.

## Surface Cleaner

Cleans and prevents future damage to spa surfaces caused by oils, dirt and organic waste.

Part# ..... Case Qty.  
CSLSCPT12..... 12 x 1pt.

## No Foam

Removes and prevents foaming in spas which is often caused by imbalances in spa water or soaps and detergents introduced by bathers.

Part # ..... Case Qty.  
CSLNEPT12 ..... 12 x 1pt.

## Jet Blast

Cleans and prevents future damage to spa plumbing and jets caused by oils, dirt, and organic waste that can restrict water flow.

Part# ..... Case Qty.  
CSLJBPT12..... 12 x 1pt.

## Metal Guard

Prevents scale and removes existing stains to extend the life of your spa and equipment.

Part # ..... Case Qty.  
CSLMGPT12 ..... 12 x 1pt.

## Spa Phos

A powerful proprietary phosphate remover that eliminates the food source for algae.

Part # ..... Case Qty.  
CSLPBPT12 ..... 12 x 1pt.

## Natural Enzymes

Effectively breaks down contaminants and oils that cause unsightly scum and unwanted odors. Cleans spa water quickly and naturally.

Part # ..... Case Qty.  
CSLNEPT12 ..... 12 x 1pt.

## Spa Care Starter

Everything a new spa owner needs to get up and running: sanitizer, anti-foam, clarifier, equipment protector, and a Clear Spa 104° Spa Care Guide. A happy and educated customer is a return customer.
