2018 Rewards Program

Buy Products, Earn Points, Get Rewards!

Buy: Put power behind your purchases with additional profit opportunities!

Earn: Rack up Rewards points on Oreq products.

Get: Spend Program Vouchers on designated Oreq products & co-op.

Why Rewards?

As a valued Authorized Registered Dealer, your company has exclusive access to a variety of rewards, business development tools & more! Oreq's Rewards Program is based on a loyalty platform offering our customers extra incentive for their yearly purchases, adherence to our MAP policies, and support of our ClearView™ and PoolPals™ product lines. In order to maximize the return on points, it is key to review the products that earn points listed on our Points Program flyer and to note products that earn you double points. Get the points you deserve.

Double Points!

Adding value where it matters! Earn DOUBLE points on specified products and boost your points balance.

2X

Marketing Materials!

Authorized Registered Dealers will receive a marketing package each year to help kick-off the season and keep merchandising materials fresh!

Auto-Renewal!

Current members will automatically be re-registered in the program.

How It Works:

Points are earned on eligible purchases within the program period, which then qualify for rewards vouchers to be used toward co-op, marketing materials or Oreq products. Purchases of select items earn double points. Program dates are from January 1, 2018 to September 30, 2018. Rewards voucher purchase orders must be placed direct through Oreq. No cost shipping on Rewards Voucher orders!
