

Critical Usage Information

Clear Spa 104 No Foam

The following is only basic usage directions. Refer to the actual product label for First Aid, Warnings and other statements of use.

No Foam is an exclusive formula that breaks up existing foam in spas, hot tubs, and whirlpools. Use No Foam whenever troublesome, unsightly foam develops.

DIRECTIONS FOR USE:

To Eliminate Foaming:

Shake well and dispense approximately 1 teaspoon of **No Foam** onto the surface of the water while the water is being circulated. Wait 30 minutes and repeat treatment if foam has not subsided.

NOTE: If more than 3 teaspoons of **No Foam** have been used within a 24 hour period, it is recommended that you clean your filter(s) to prevent clogging with **Cartridge Cleaner** and test your water chemistry.
